CERTIFICATE OF ANALYSIS

Report No: CoA-26-09-002
Issued: Sep 11, 2026, | Status: Final

SCAN TO VERIFY

Sample & Client Information (FOR RESEARCH PURPOSES ONLY)

Client Name:	Vanguard Compound Research	**Compound:**	Adipotide
Contact:	VanguardcResearch@gmail.com	**Target / Label Claim:**	5mg
Date Received:	Sep 11, 2026	**Appearance:**	White Powder
Date Analyzed:	Sep 11, 2026	**Batch / ID No.:**	AP52607A

Analytical Results

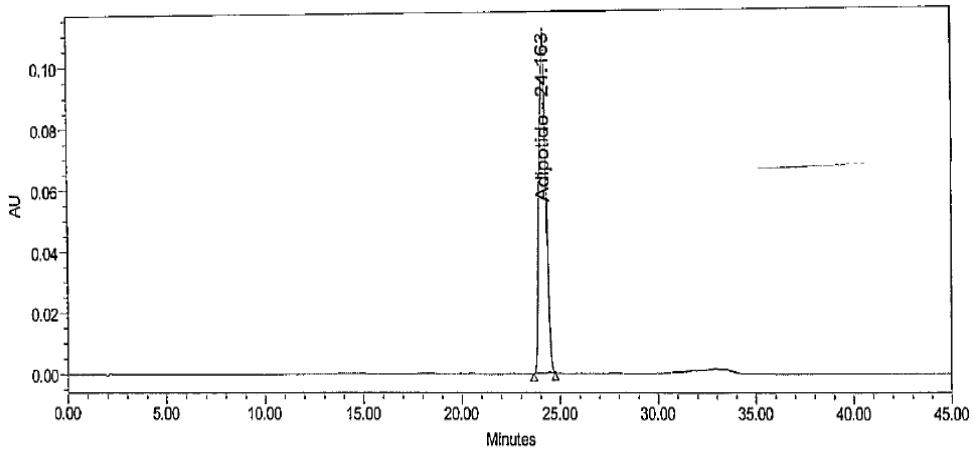

Test Parameter	Specification	Result	Status
Compound Test / Identity	HPLC-UV Positive	Conforms	**Conforms**
Net Content	Report	4.95 mg	**4.95 mg**
Chromatographic Purity	≥ 98.0 %	99.047 %	**Within the specification**

Analytical & Method Details

Method: STP-HPLC-142 | Instrumentation: Agilent HPLC-UV | Retention Time (RT): ~ 24min

(Vial Image – Adipotide*)*

(Chromatographic Peak Spectrum)
